Missionary Meeting

The Missionary meeting Monday the 8th at Mrs. Manry's was fraught with the spirit of our work.

Mrs. Manry was sick, but Miss Lillian's presence made us feel welcome.

Mrs. Harris' talk on our Mountain schools was instructive and interesting. The more we know, the more we want to do.

Mrs. Cowling also gave us some data on the Mountaineers which all enjoyed.

When it came to a general discussion of our schools we found how little we could remember on short notice, but some responded and we who didn't felt ashamed.

Mrs. Morrow gave us the benefit of a few of the good things and inspirations and general uplift of the Institute at Sweetwater.

It would be impossible to tell all the good that one gets from these gatherings of Christian Workers.

The W. C. T. U.

If our women would only ponder long enough to remember that the W. C. T. U. is an organization of Christian women for the protection of the home and the triumph of Christ's golden rule in custom and in law they would come out to at least one meeting, which would mean becoming a member of the local union, auxiliary to the state, nation and world.

The members of this great organization have reached the wider development that leads them to associate without regard to sectional or denominational affiliation and the knowledge of the history of past facts cause them to see in the use and sale of intoxicants life's greatest menace against the integrity of the organ of thought. This is a token of the times more inspiring to the Christian than any other, this is the basis of our gratitude to God.

Meet with us at the Baptist parsonage every second and fourth Thursday and organize Mothers love.
